## ARGYLE IPA

INDIA PALE ALE

---

**ABV 6.1%**

The "Sweater" is a tribute to our director of all things financial, Joe Hoover, or as he's better known as "The Hoove", "The Hoovinator", and "The Witness", among many other nick names. He is a financial super hero donning an Argyle Sweater! Enough about the name, help us celebrate Joe's classy dress with a pint of a juicy Amarillo, Mosaic, and Ariana hopped IPA. The hops shine through with a simple grain bill of pale malt, oats, and wheat.
